Government Announcements:

Doug Mensman from Council District 4 gave updated information on The Baseline Hillside Ordinance. The ordinance is geared towards preventing out-of-scale single-family development in Los Angeles

Public Comments:

Lucy asked if there was an "Assistant Treasurer" position available within HUNC in the future.

Finance Committee:

Charles Suhayda brought the Treasurer's report as of March 4, 2011. We are, to quote Charles, "in pretty good shape." The budget is available for review.

Nominations for both the vacant Business representative and Renter representative were tabled until the May meeting.

Susan Swan gave a summary of responses to the Hollywoodland Homeowners Association (HHA) March 22<sup>nd</sup> letter, in reference to the March 21<sup>st</sup> meeting. We will request that HHA post our responses to their letter on their website and email out to their mailing list.

Mary Richardson and Kevin from the Los Angeles Planning Commission gave the Draft Community Plan and Draft Environmental Impact Report on the Hollywood Community plan.

Any communication with Ms. Richardson can be obtained through her e-mail address and phone number.
